Right here, we will present all publications Alike As Two Bees By Elin Gregory that you need. Guides from famous authors as well as authors are supplied. So, you could enjoy now to get individually sort of publication Alike As Two Bees By Elin Gregory that you will look. Well, pertaining to guide that you really want, is this Alike As Two Bees By Elin Gregory your option?

This book *Alike As Two Bees By Elin Gregory* deals you much better of life that could create the quality of the life better. This Alike As Two Bees By Elin Gregory is just what individuals now need. You are here and you might be precise and sure to get this book Alike As Two Bees By Elin Gregory Never ever question to obtain it also this is just a publication. You can get this publication Alike As Two Bees By Elin Gregory as one of your collections. However, not the compilation to present in your bookshelves. This is a priceless publication to be reading compilation.

Exactly how is to make sure that this Alike As Two Bees By Elin Gregory will not displayed in your shelves? This is a soft documents book Alike As Two Bees By Elin Gregory, so you can download Alike As Two Bees By Elin Gregory by buying to obtain the soft data. It will relieve you to read it every time you need. When you feel careless to move the published book from home to office to some location, this soft file will certainly ease you not to do that. Because you could only save the data in your computer hardware and gizmo. So, it enables you read it all over you have desire to review [Alike As Two Bees By Elin Gregory](#)

ALIKE AS TWO BEES BY ELIN GREGORY PDF

Horses, love, and the tang of thyme and honey...

In Classical Greece, apprentice sculptor Philon has chosen the ideal horse to model for his masterpiece. Sadly, the rider falls well short of the ideal of beauty, but scarred and tattered Hilarion, with his brilliant, imperfect smile, draws Philon in a way that mere perfection cannot.

After years of living among the free and easy tribes of the north, Hilarion has no patience with Athenian formality. He knows what he wants—and what he wants is Philon. Society, friends and family threaten their growing relationship, but perhaps a scarred soldier and a lover of beauty are more alike than they appear.

A Delightful Read

By Sue Roebuck

Alike as Two Bees is populated by characters whose energy and exuberance will stay with me for a long time.

The author evokes Classical Greece by portraying the every day life of a group of stone-masons who are under the guidance of fair but stern Nikias.

Our hero is twenty-year old Philon who might be quiet but is skilled at his craft and ever-ready to come to the aid of young Antolios, a wonderful character with a charming mix of child-like naivety and an adult's perception of knowing exactly what's going on.

The antagonist, sneering Aristion, unknowingly brings Philon and scarred Hilarion together.

Elin Gregory's deceptively subtle prose takes the fast paced plot to a satisfying conclusion in the heat of a perfect day. She has the enviable skill of producing rich and deep characters, this time in a story that was hard to put down - it had me glued to the page.

If I have any criticism it perhaps lies in the fact that Alike as Two Bees is too short. The warm characters the author has created deserve more exposure and I feel there is much more in young, feisty Antolios. I'd love to think that I'll meet him again and maybe check up on the adventures of Philon and Hilarion.

A Subtle Romance

By Dianne M. Hartsock

A charming, sweet love story nestled in the arms of ancient greece and the every day life of a sculptor and the man he comes to care for. Enjoyed every minute.

Alike as Two Bees Elin Gregory

By Lena Grey

Set in Ancient Greece, 'Alike as Two Bees' by Elin Gregory tells the tale of Philon, an apprentice sculptor, and a soldier named Hilarion; how they meet, develop a mutual attraction, and fall in love. The detailed descriptions of the operation of a stone masonry gave me a greater appreciation for the magnificence of Greek architecture. I've seen many pictures of these amazing buildings and statues, but never stopped to think about someone having to carve every detail by hand.

The characters in this story are brilliantly portrayed – Nikias, wise and benevolent; Anatolios, his son, with his naivety and youthfulness; Eutychos, who is wealthy and pompous, and Aristion, his son, a spoiled rich kid and a bully; and of course, the lovers Philon, who is young but not completely naïve, and Hilarion, a kind and just man. Philon and Hilarion see in each other what most people can't: passion, an appreciation for beauty, and someone with whom they can find respect and love. It was quite touching, with a good dose of angst thrown in for good measure, to watch their relationship develop and flourish.

'Alike as Two Bees' by Elin Gregory is an endearing love story which is well written, with fabulous characters and a good plot. Although the poetic language is a bit confusing at times, it definitely helps set the historical mood. For a brief story, it covers a lot of ground and neatly ties up all the loose ends. I became quite attached to the characters and, although they ride off into the sunset to their happily ever after at the end of the story, I'd love to read more about them in the future. I'd recommend this book to anyone wanting to read a sweet historical romance where love prevails regardless of the circumstances. Thanks, Elin, for an entertaining read.
