Review

"Attending Andy's camp for nine years and knowing his family even longer helped me through some of my hardest times. Now, in 'Alone,' Andy exposes teens' sense of isolation in the age of technology. Intriguing and insightful, this book is for teens and parents alike." -- Jordin Sparks "Singer, Songwriter, Actress, Former winner of American Idol"

"Andy accurately diagnoses loneliness as a defining issue of the '12-20 set,' and clearly maps the road to transformative community and hope. Strong medicine for any teen, parent or youth leader." -- Steve Haas "World Vision Vice President/Chief Catalyst"

"'Alone' is fantastic. Andy has the pulse of this generation, and I thank him for an honest, insightful, and heartfelt response to what plagues young people today. I wish every young person would read this book." -- Sean McDowell "Educator, speaker, and author of *Ethix: Being Bold in A Whatever World*"

"Andy has a profound gift of insight into the heart of teenagers and a passion to equip them to boldly live out their faith in their very real world. Our kids have personally been deeply impacted by Andy's heart and passion and we are grateful that he's sharing them with the world through this book." -- Steven Curtis Chapman "Award winning Christian Singer/Songwriter"

From the Back Cover

Today's teens live in a networked world filled with opportunities to connect, share, and experience community. But despite Facebook friends and 10,000s of text messages, the majority of youth today feel disconnected, unfulfilled, even depressed.

Here's the sobering situation:

- Students don't know what to do about their own future. They fail to understand their gifts and how to discover how God wants to involve them in his story.
- Students live in a world filled with darkness. The culture around them draws them away from God and His love.
- Students don't feel that their friends really care about them. They often feel used and neglected.

Author Andy Braner has worked directly with students on issues of identity, sexuality, depression, family, and faith. In *Alone*, he raises real issues and deals with them head-on with practical, biblical counsel. This is an essential read for anyone raising or working with tweens or teens. The issues are complex, but more than ever students need leaders who will point them to God's love and grace.

About the Author

Andy Braner is an ordained youth minister and former president of Kanakuk Colorado. Currently, he is the president of KIVU, a ministry that teaches Christian worldview principles to teens and college students in the context of outdoor adventures. Each year, Andy speaks to more than 80,000 teens and college students all over the world. His message centers around training global leaders to love God and others.

Critical Book for Youth & Parents

By Bob Roberts, Jr.

ALONE: FINDING CONNECTION IN A LONELY WORLD

ANDY BRANER

I met Andy a couple of years back and have been following him and his work. He's an on the edge kind of guy - someone who's kept his touch with youth but sees it beyond an age phase people go through to what our world is going to look like and how do we prepare youth for it. He's become heavy into worldview, global issues, and faith issues as well.

ALONE - his most recent book is a gem. The title says it all - how do you help youth be connected meaningfully in this fast-paced interconnected world where there are relationships technologically, but not at deep interpersonal relationships. Jaques Ellul would love this book! As I read it, I was amazed at how many of these issues are not just youth issues but "people" issues. Adults deal with this stuff all the time. Growing older doesn't necessarily mean that you manage life better - if anything you may learn how to put on a better face, with the same old junk. This book gave me lots of ideas for preaching!

I would RECOMMEND EVERY PARENT READ THIS BOOK then give it to their teen child to read and then discuss it with them. It's an invaluable resource. It would make a fantastic study guide for an entire youth group to go through.

His primary solution to the issue of loneliness and disconnectedness is the body of Christ. I can identify with this, our church has been in a deep learning curve related to this in how we relate to one another and how our T-life cells operate. It amazed me how clear the solution was for him. "God created mankind not as individuals destined to walk alone but for fellowship together." Man in Genesis 2:18 was made not to be alone. Jesus's second part of the Great Commandment "Love your neighbor as yourself" also expresses God's intent and desire that we live in community. "Community isn't something you speak into existence it takes work." Andy explains what that community looks like and how it's created.

He writes you have to know God's purpose and plan for your life. You have to deal with your junk. Andy deals with how depression and isolation cheat us of community and we have to face our fears. If you don't deal with your junk and face your fears then addictions and other negative forms of behavior can take us over. I highly recommend this book to adults, youth, and especially parents.

Love this book!

By tessaleeder21

In Andy Braner's book *Alone*, he gets to the roots of teenagers' loneliness and encourages us to find our hope in God. Andy's book helped me understand why there are so many lonely people in today's "connected" world. *Alone* is a must read for teenagers, parents, grandparents, everyone! Thanks Andy for what you do.

Great read for today's young adults and teens

By Realitymatters356

Excellent well thought-out chapters addressing the core issues behind the feelings of loneliness and isolation that we all feel. I liked some chapters better than others, but overall the message is cohesive. With the seriousness of teen suicides and bullying issues on the rise, this book brings light to what is behind it and how we can combat feelings of isolation in ourselves and others. We were made to connect on a real level, not the artificial relationships set up by social media. *Alone* brings up the challenge, yet necessity of real human interaction and sharing of joys, sorrows and compassion. Being transparent and loving are paramount in a false media and tech-driven social realm. I'm a female and felt the chapter on *Real Women* was my own personal story. At a minimum, you can't come away from reading this without thinking "wow, somebody gets it, and gets me!"
