WAR IS NOT A WOMAN'S GAME. AND YET,
TO SAVE THEIR CHILDREN AND THOSE
THEY LOVE, THEY WILL PLAY IT.

MEGAN HART

NEW YORK TIMES AND USA TODAY
BESTSELLING AUTHOR

BENEATH THE VEIL

"Hart's beautiful use of language and discerning eye toward human experience
elevate the book to a poignant reflection on the deepest yearnings of the human
heart and the seductive temptation of passion in its many forms."

BENEATH THE VEIL BY MEGAN HART PDF

Aeris Delaya is a woman living, literally, in a man's world. The words mother, daughter and sister are considered obscenities in Alyria, where women are forced to wear concealing cloaks called follyblankets to keep them from the sight of men. Aeris isn't the only girlchild being raised as male, but when she catches the attention of Prince Regent Daelyn Avigdor, the game she's been playing her entire life suddenly becomes that much more dangerous. Brought to the White Palace to serve as the Prince Regent's fetchencarry, Aeris finds herself caught in a world of luxury and intrigue -- companion to a prince yet constantly afraid of being discovered as female. When rumblings of revolt against those who insist on keeping women subjugated begin to rock Alyria, Aeris's loyalty to her prince is tested. Soon enough, the entire country is at war -- and Aeris learns she's not the only one with secrets.

Can't put down

By Patsy Richard

very informative, can't put down kind of story. Makes me appreciate being a woman in 21st century. I now realize how far we have come, even though this is fiction, i know it is based on history. This story is very colorful, funny in parts and sad in parts. Not recommended for young minds, on many levels.

Beautiful love story and story about how women continue to be persecuted.

By Amazon Customer

I loves the details. I had read about the country in her other books. This book provided an explanation about why women were treated as nothing and why the men serviced each other. It put it all in perspective.

Disappointing

By cassie pena

I have read many Hart books, and this was the first one to disappoint. Feels like a book that was tossed off in a weekend. Similar themes have been written about and dealt with much more effectively by other authors. Glad I didnt spring for the paperback.
