By Robert Lubrican that you look for; it is exactly how you will get several publications to support your skill and capability to have piece de resistance.

BEWITCHED! BY ROBERT LUBRICAN PDF

It was a normal Halloween. Two little zombies were coming up the walk, ready to beg for candy and make empty threats. Their mother, looking like a witch dressed for a Playboy spread, waited outside the gate on the walk. But then it became a very abnormal Halloween, when a mob came around the corner headed our way. They were tearing up everything and raising ... well ... hell. I had to take the witch and her two zombies inside with me, right? I mean it was for their own safety. And when the mob burned their house to the ground, they had to have someplace to stay, right? And it would only be for a little while, just until she could get her feet back on the ground. Or so we thought. Turned out differently. Both she and her little zombies got under my skin. Astonishingly ... I got under theirs too. And not in a creepy Halloween kind of way, either.

Good Lubrican romp!

By Al Gregory

Pretty interesting story crafted by Lubrican that included an older man with many unique and lucrative talents interfacing with a 'drop-dead' gorgeous lady with two small children needing desperate help. Our intrepid hero - Bob - of course, comes to the rescue and makes our threatened lady and children safe beyond their wildest dreams and ends up falling in love in the process. Very scintillating and exciting story that builds in momentum to a satisfying conclusion. Well worth the read!

Lubrican always begins with a good story, then "spices" it up with some sex

By Kindle Customer

Lubrican always begins with a good story, then "spices" it up with some sex. It is not gratuitous, and he is VERY respectful of the women. No violence, no forced sex (rape) and male characters that truly love the women they are engaging. He does think that all women should be pregnant, but not to the extent that it hurts the story.

Fun Read

By Kenneth Mowry

My wife read this to me while crossing the desert, sure made the time go faster. Always enjoy Bob's adventures and hoping he continues to write as we have nearly exhausted the library of his material.
