Papa's Tales

By Dr. Wilson Trivino

Ernest Hemingway penned some of the best known works in literature. This story captures a voice of his time. However before he was able to put these masterpieces down on paper, he had to hone his craft. In *By-Line: Ernest Hemingway: Selected Articles and Dispatches of Four Decades* Edited by William White, the reader is able to peek into Hemingway's daily work before he put together a large comprehensive work. These stories read like blog post and are observational, intuitive, and captures a flavor of his daily life. Most are short, only a few pages, but they give insight to Hemingway's wit and humor and the skill to paint a portrait of a moment of time. A truly fun read and one that should be savored.
