# FEMINISM AND POP CULTURE: SEAL STUDIES BY ANDI ZEISLER PDF

Whether or not we like to admit it, pop culture is a lens through which we alternately view and shape the world around us. When it comes to feminism, pop culture aids us in translating feminist philosophies, issues, and concepts into everyday language, making them relevant and relatable. In *Feminism and Pop Culture*, author and cofounder of *Bitch* magazine Andi Zeisler traces the impact of feminism on pop culture (and vice versa) from the 1940s to the present and beyond. With a comprehensive overview of the intertwining relationship between women and pop culture, this book is an ideal introduction to discussing feminism and daily life.

good source of information...not necessarily a pleasure piece.

By Mavenreview

Good, I am using it for a Pop Culture lesson. Good addition as a piece of reference material for pleasure reading but good for the purpose for which I purchased it.

A great survey but I would have loved another 300 pages or so.

Definitely a fine introduction to this field.

Great Book

By Kat

I used this book for a class on Gender and Popular Culture, and it was a great supplement and super interesting. I've kept it because I enjoyed it so much and learned a lot about our culture. I would recommend it even just for a casual read.
