The answers to every relationship

By Wanja Southerland

Marriage Built to Last has been an eye opener to me. The book tackles the main issues in a relationship pre and post the proposal in an easy-to-understand manner. It is funny, informative, loving, and honest. I can attest to it's legitimacy since I lived most of my teenage and twenties' years in the Karinas home. The book is a must in every home, single or married. My only wish is that Jennie should have written this book sooner.
