A Good College book
By Charlie Knight
I am using it in class but it is to early for me to evaluae the text, maybe after the semest is ove with. I found it good so far, but sometimes a term or two I have not retained. Otehrise a good text.

Good book
By Tanya M.W.

This book was required for my son's class and I'm assuming he likes it. It was what the professor required.

2 of 3 people found the following review helpful.
Great Resource!
By Kevin Praeger
This book is a must for anyone in the printing or graphic arts industry. It covers a little bit of everything including computer design, color, and many other important issues of printing and publishing.
