Review

"A lucid philosophical discussion of the ethical principles at stake in matters of immigration and asylum, and a sharp review of the historical ways they have been manhandled.."

- "New Left Review

..."a timely and useful contribution to the debate...a clear, readable and coherent argument.."

- "Humanist News

..."makes the case meticulously...Sir Michael's narrative gains power from its cold-blooded, uncolored language...a terrible indictment of modern British immigration policy.."

- "The Economist

"This book, passionately argued and shot through with a sense of urgency, is Dummett's timely contribution to the debate.. an invigorating read."

- Lena Barrett

..."acutely spots a blank in the mentality of earlier political philosophers who 'have seldom asked what obligations a state has towards those who are not its citizens' and argues powerfully against those who 'hold that we have at most only negative duties towards strangers: that, for example, we may not kill them, but have no duty to protect them from being killed.' He exposes the fraudulence of the phrase 'bogus asylum-seeker'....It would be rash to expect so decent a voice will get much of a hearing. After all, selfishness is not only admired but encouraged all around us....'."

- "The Evening Standard

It is quite various with the typical method by gong to the book store around your city.

ON IMMIGRATION AND REFUGEES (THINKING IN ACTION) BY SIR MICHAEL DUMMETT PDF

Michael Dummett, philosopher and social critic, was one of the sharpest and most prominent commentators and campaigners for the fair treatment of immigrants and refugees in Britain and Europe. This book insightfully draws together his thoughts on this major issue for the first time.

Exploring the confused and often highly unjust thinking about immigration, Dummett then carefully questions the principles and justifications governing state policies, pointing out that they often conflict with the rights of refugees as laid down by the Geneva Convention. With compelling and often moving examples, *On Immigration and Refugees* points a new way forward for humane thinking and practice about a problem we cannot afford to ignore.
