Great for student teaching

By Amy Moore

I used this during my student teaching.

0 of 0 people found the following review helpful.

happy. i passed both tests

By miso

met expectations. happy. i passed both tests, not sure if this book mattered or not, since it was a long time ago. Anyhow, I do remember I read this book twice.

0 of 0 people found the following review helpful.

Skip This Book

By Amber Cockerham

One of the most boring texts I've had to buy. It is easy to read though, but now I can't sell it for more than a dollar.

If you don't have to buy it, don't.
