Fast and hot

By Louise N

This was a quick read that once it got hot, it caught fire! The plot was thin, the characters too, but it had lots of good points too. I didn't get how no charges got set for the fire, but it was good (?) That her step dad was a widow. How did her Mom die though? This could have been told in a completely different and sinister way, but I'm glad for the light and tawdry delivery instead. It was a cute story. Weirdish. But still cute. .. and hot with a HEA, which is always awesome!

Unabashedly 5 stars

By Paul Badger

If I were looking for a rather novel variation in the "sex with my step," this would be a good choice.

If I were looking for a "breeding sex" story, this would be a good choice.

Looking for an author who likes her characters? Pick this one.

Fast Paced, Naughty Romp

By Walker Long

A fast paced, naughty romp with a fireman step-dad. With this type of story the destination is generally clear from the beginning - it's how you get there that matters. This story gets there hot and fast. The story is told from the point of view of the step daughter. Her character is nicely described. We see her insecurity and her building passion and get to know her a little bit. The step father on the other hand is a bit vague. What is he thinking? Why does he suddenly go from refusing her advances to tearing her clothes off? Also I felt the ending, while happy and life affirming and all that, seemed a bit rushed. That doesn't detract much from the action, however, which is (if you pardon the pun) on fire. All around, a good choice for a quick, dirty read.
