This book is a compilation of extracts, articles and lectures on the mysterious and often misunderstood subjects of Freemasonry, Lucifer and the Great Work. It is presented in bilingual format: English side by side with Spanish and is meant as a companion or supplement to the gnostic classic *The Initiatic Path in the Arcana of the Tarot and Kabalah* (1978) by Samael Aun Weor.

The material should be taken as a whole and the reader should recognize the kabalistic symbolism that is suggested by all three authors: Eliphas Levi, Arnaldo Krumm-Heller and Samael Aun Weor. Some of the material is published here in English for the first time and the editors invite the reader to reflect profoundly upon the message of our Aquarian Era in order to arrive at the Doctrine of Synthesis.
