It really helped me through a pretty depressing period of my life journey

By Max

I was given this publication by a friend. At that time it consisted of a set of 12 tapes in a cassette format. I was somewhat disappointed in the CD version because much of the information was deleted. It really helped me through a pretty depressing period of my life journey. Over the years I've shared the tapes with other individuals. Some also found the information mutually beneficial. Thanks....

A supplement.....

By A customer

I bought this tape when it was first published. And at that time, while I was in the process of "searching", I did not fully understand the concept(s) that Deepak Chopra was explaining. However, since then I have read and listened to other books / CDs by Deepak Chopra, Wayne Dyer, Caroline Myss etc. This morning on the way to work, I listened with new "ears" to this tape and find it to be a good supplement/reinforcement to "Creating Affluence", "The Seven Spiritual Laws of Success", "The Way of the Wizard", "Manifest Your Destiny", "The Power of Intention" and "Ask And You Shall Receive".

I am ordering the CD and will record it on my ipod so that I can listen to it whenever and wherever I am.
