From the Author

This book contains attunements and empowerments to many different forms of Reiki and other energy modalities. Over 30,000 people have been attuned worldwide to the energies via this book and it is highly successful if you do strongly intend to receive them in a relaxed state. I have personally prepared the attunements and sent them via a chi ball to you, the reader of this book. Each attunement/empowerment was prepared with the intent that each is perfectly and powerfully received when each reader/recipient asks to receive. The book serves as an embedding mechanism for delivery of the attunements. Although there is a description of the modalities and some other information, the true purpose of this book is to deliver the prepared energies to you.

First, read the background information for the modalities, then when you are ready, begin receiving the attunements/empowerments one at a time, starting with Usui Reiki Level One. The order of the attunements/empowerments in the book is the order that I have found to be the best vibrationally. The modalities are ordered from lower vibration to higher vibration to facilitate reception of the energies.

Second, it is important for you, the reader, to be prepared when you receive the attunements/empowerments. It is best to receive, at most, one attunement per day, to assist with the integration of the energies. To receive, either sit or lie down in a place you will not be disturbed. Turn off your phone. Get in a restful, meditative state, focusing on your breath. This shuts off your mind and the stress from the day. At this point you are ready to receive the energies. Strongly desire to receive the attunement or empowerment you have chosen by saying the words to receive three times. Intend and express your will to receive the energies. This will help with the delivery of the energies.

Third, relax and receive. Don't guide the energies while you receive them, let them guide you. Relax, accept the process as perfect and accept the energies and feel the energy flow from your crown to many different parts of your body. Feel the energy over-light you. The process typically takes about 30 minutes. When you feel the energies have finished, give thanks to the Divine. Rest and drink water following each attunement or empowerment. Then follow the guidance for the next modality as stated in the background information for the modalities and then take the next attunement or empowerment on the next day or in a few days or a week, however it is stated in the introduction to the energies on how you should receive them. Also although the majority of people feel the energies powerfully, some may have an experience where the energies are subtle or not feel the energies at all. This depends on how clear each individual is and how relaxed an individual is when they request to receive the energies. Do not worry, the energies are perfectly received when you ask for them, even if you do not always feel them at first. They continue working on you while you sleep and over time, clearing you, healing you, and attuning you to assist you in your path of becoming a healer. Feel free to practice giving yourself a self healing after each attunement or empowerment, this will strengthen the flow of energy to heal yourself and others. Place your hands on yourself and say "(Name of system) Reiki on!" Wait and then the energies will begin to flow through you.

Finally, thank you so much for your interest in this material. Getting it ready was a privilege and a joy. I hope you have a wonderful time working with it.

The following are testimonials from others about the attunements and empowerments I have prepared:

"I would like to say that you have a wonderful gift, and to thank you from the bottom of my heart for the work that you are doing. The world needs more people who care deeply and love unconditionally as you have shown us all that you do."

-Jenne, U.S.A.

"Thank you Chris! I felt a cool tingling sensation down my right arm and was very peaceful."

-Ana, New Jersey, U.S.A.

"Chris,

I called in the healing last night. I felt a lot of pressure in my head and briefly in my heart. I felt quite refreshed, yet relaxed, afterwards and slept very well last night. Thank you!"

-Elizabeth, Rhode Island, U.S.A.

"Thanks Chris....I felt much pressure in my crown chakra for a few minutes.....then I was peaceful."

-Silvia, Mexico

"Dear Chris,

I feel warmth in my hands, and feel very relaxed. Then I go to a deep sleep. Thanks."

-Vasu, India

"Chris,
It was excellent. Thank you and many laughs and hugs."
-Leslie, Nevada, U.S.A.

"I went to lie down and I immediately felt a very tight bond feeling around my head, and in my head, a full feeling, and a very pulling stinging 3rd eye... that kept on going on, still does... I didn't see so much this time but I was surprised the energy was so strong, swirling around me. One moment I felt like I was blown up like a balloon and drifting off. Further my pulses were hurting a bit inside, a (slight, very bearable) pain pulling up my arms and my heart had a full (strange) feeling too (this heart feeling was in the beginning), can't describe it..."
-Maria, The Netherlands

"Dear Chris,
Thank you for the lovely attunement! I had waves of energy surging upwards from my feet up my legs then all over. I love that you have offered this. Thank you, thank you, thank you."
-Elizabeth, Rhode Island, U.S.A.

"Hi Chris,
Thank you for the healing. I was resting in bed when I called in the healing. At first I felt energy in my crown and then I didn't feel anything, but I know that when the energy bodies are being worked on we often don't feel anything. But at one point I felt to put my hand on my heart center and it became hot and tingly. Then awhile later I felt energy in my fingers of my left hand and the energy began to slowly move up my arm to my elbow. Very cool. Thank you!"
-Mary, New Mexico, U.S.A.

"Dear Chris,
Thank you for the Gold Reiki Level 3 attunement. I had taken it on 2nd Apr in the evening. I felt a little sensation/vibration in my hands and forehead. But few minutes after finishing I felt something (like wind sensation) is entering into my crown chakra. Thanks Again."
-Vasu, India

"I took level 3 on saturday. I felt relaxed and happy. Thank you very much."
-Alberto, Spain

"Thank you for the second Gold Reiki attunement, Chris! I felt a warm sensation in my chest this time, and tingling in my hands. It felt like a very gentle energy, and it felt wonderful. Looking forward to the next attunement ;)"
-Matts, Sweden

"Hi Chris!!
Thank you for this empowerment. I felt much heat in my hands and feet. Was very beautiful."
-Begoña, Spain

"Thank you, Chris !!!
I just love the energies, they are always so powerful. I called in the empowerment and I felt a lot of energy in my 3rd eye first, from there it went into my head and ran down my neck and spine, oh yes, and I didn't really feel my hands any more, they felt like energy-balls (or something like that:)) wow... wonderful energy...thank you very much...really loved it."
-Maria, The Netherlands

"Dear Chris:

I feel this energy softly and gentle. Thanks a lot."

-Claudio Mora, Peru

"Dear Chris,

Thank you for the attunement. I called it in last night and felt a lot of swirling sensations throughout and a lot of pressure in my forehead."

-Elizabeth, Rhode Island, U.S.A.

"Dear Chris,

Yesterday night I took the level 2 Kundalini Reiki. It felt stronger than the first one. Thank you."

-Alberto, Spain

"Dear Chris,

I have taken Kundalini Reiki Level 2 yesterday at 9 p.m. I feel some vibration in my forehead, third-eye and hands. Thanks again."

-Vasu, India

Light & Love & Energy

By Luciana Bonati

When I held " the Living Light " in my hands . . . I felt I was not holding a book.

To describe exactly what I felt in my hands would be a little bit difficult ...

therefore I will say it simply: I felt a lot of energy... I felt my hands lightening

up like a Christmas tree and I was not even meditating or reading it just holding it.

What if a book contains so much Love that you can feel it every time you

watch it, what if ... you feel that every single word that has been written in there, conveys love, compassion, and above all a Great Desire to make You the reader

a carrier of Light w o u l d you still call it book ??

to me it's a candle that never blows out, and its name "The Living Light" represents exactly what it is.

I recommend it to all that are serious in the path, to all that know and feel in the deep of their heart ... that Love is all that Matters

"Thank you, Chris !!!

I just love the energies, they are always so powerful. I called in the empowerment and I felt a lot of energy in my 3rd eye first, from there it went into my head and ran down my neck and spine, oh yes, and I didn't really feel my hands any more, they felt like energy-balls (or something like that:)) wow... wonderful energy...thank you very much...really loved it."

-Maria, The Netherlands
