pretty good

By M. Heiss

This book shows how slavery was incompatible with American ideals.

It shows how deeply religious Christian Abolitionists were committed to helping, at tremendous personal risk, in the escape and emancipation of southern blacks.

It shows what an escape was like. It shows a few Underground Railroad houses and talks about secret rooms and passages, but you don't get to see much.

To round out the information in this book, I would recommend you also pick up:

Bound for the North Star: True Stories of Fugitive Slaves or The Underground Railroad (Great Escapes).

You might also enjoy [The House of Dies Drear](#) and [Elijah of Buxton](#) for fiction books at this age range.
