WRITING IN ENGLISH IS EASY!: BEGINNING TO INTERMEDIATE ESL/EFL WRITING TEXTBOOK AND STUDENT WORKBOOK (VOLUME 1) BY CHRIS GALLAGHER PDF

This is a low intermediate level writing textbook and workbook for English language learners in high school or university. The book presents the foundational structures for English writing in a clear, concise manner. The explanations and directions are written with basic vocabulary to improve student comprehension of the material and the tasks. The themes for the exercises are fun and relatable for students from all cultural backgrounds. Finally, the exercises focus on student writing production and avoid lengthy reading that can distract from the goal of writing. Teachers will love this textbook because the lessons are self-explanatory and easy to expand on. Additionally, there is a teacher's guide on the website for the book at myeslwritingbooks.com. The author of the book has successfully taught students from over 25 different countries while working in the English Language Institute at the University of San Diego.

2 of 2 people found the following review helpful.

Great textbook

By Carol Gallagher

I am using this textbook for my intermediate Japanese ESL class. The first couple of chapters were a little basic for my students, so I started on Chapter 3. My students found the explanations for paragraph organization to be very effective. Furthermore, they had an easy time relating to the topics and vocabulary in the examples and exercises. We are currently working on the chapter about listing order paragraphs and the students are responding well to the linear organization presented by the author. I really like this book because of its simplicity, and the fact that it focuses on writing production and practice instead of lengthy explanations.
